

***DEER CREEK WATER EXCHANGE PILOT PROGRAM
SUMMARY REPORT***

APPENDIX B:

- GEOLOGIC PLAN VIEW AND CROSS-SECTIONS

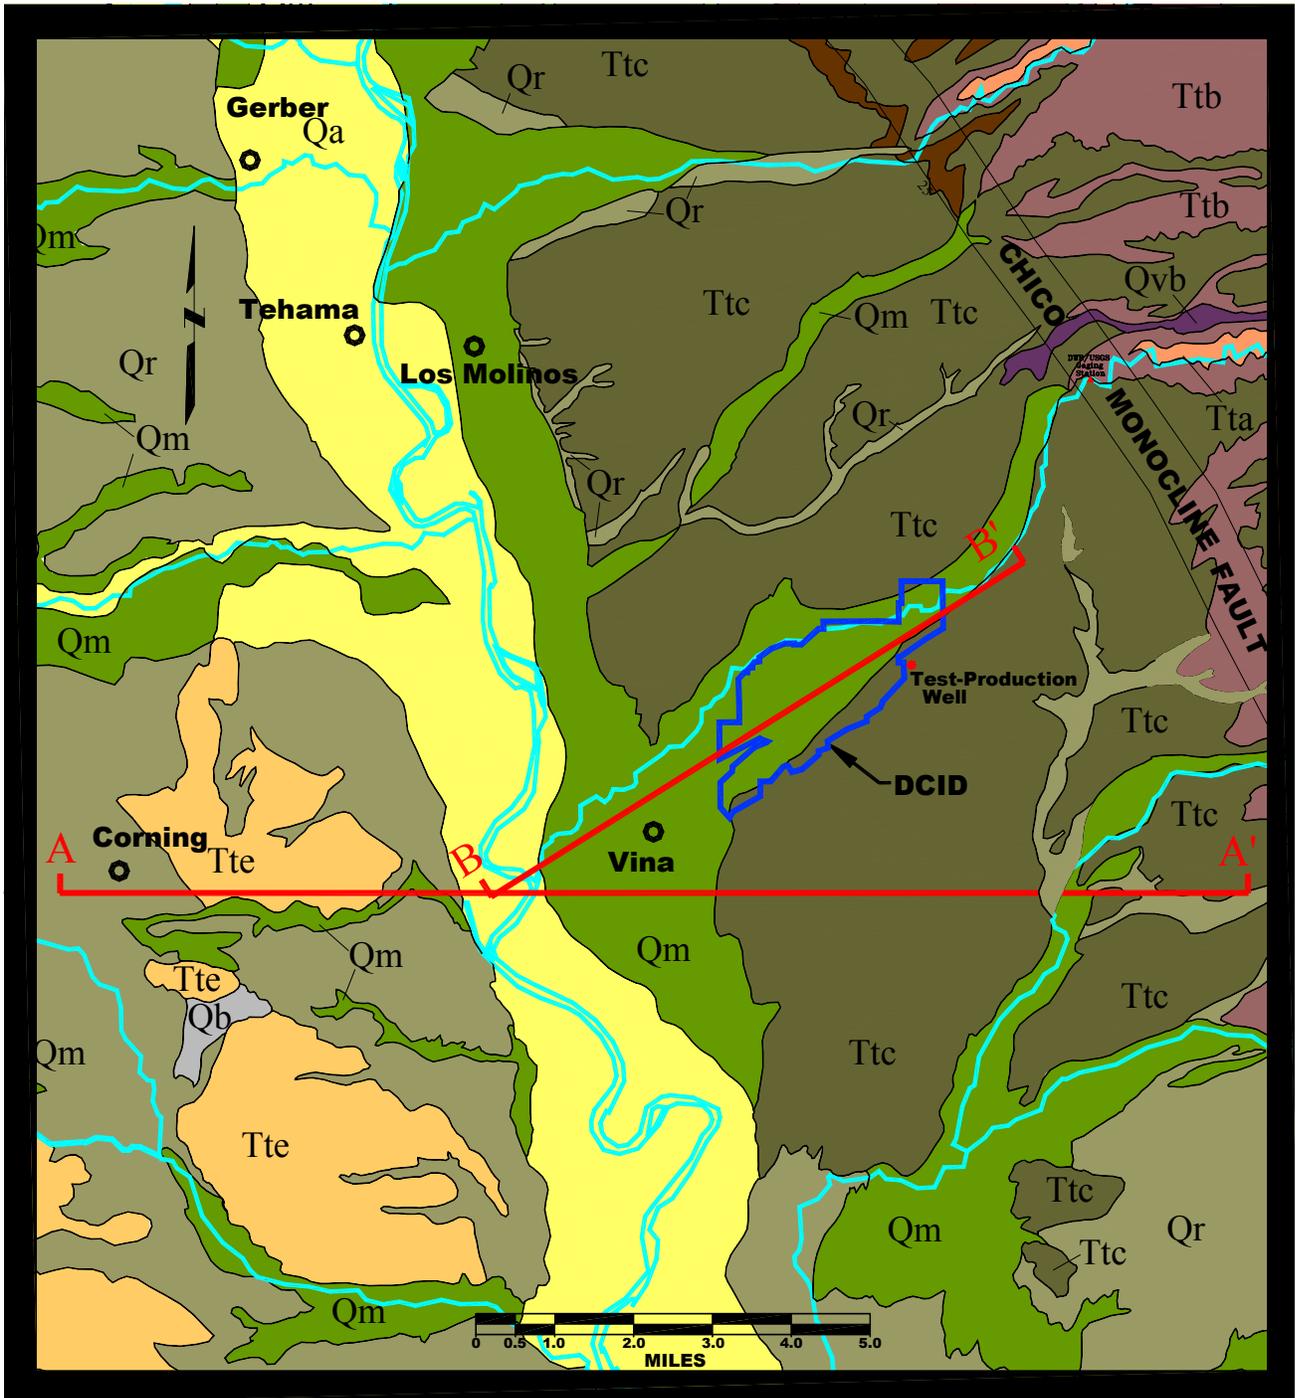

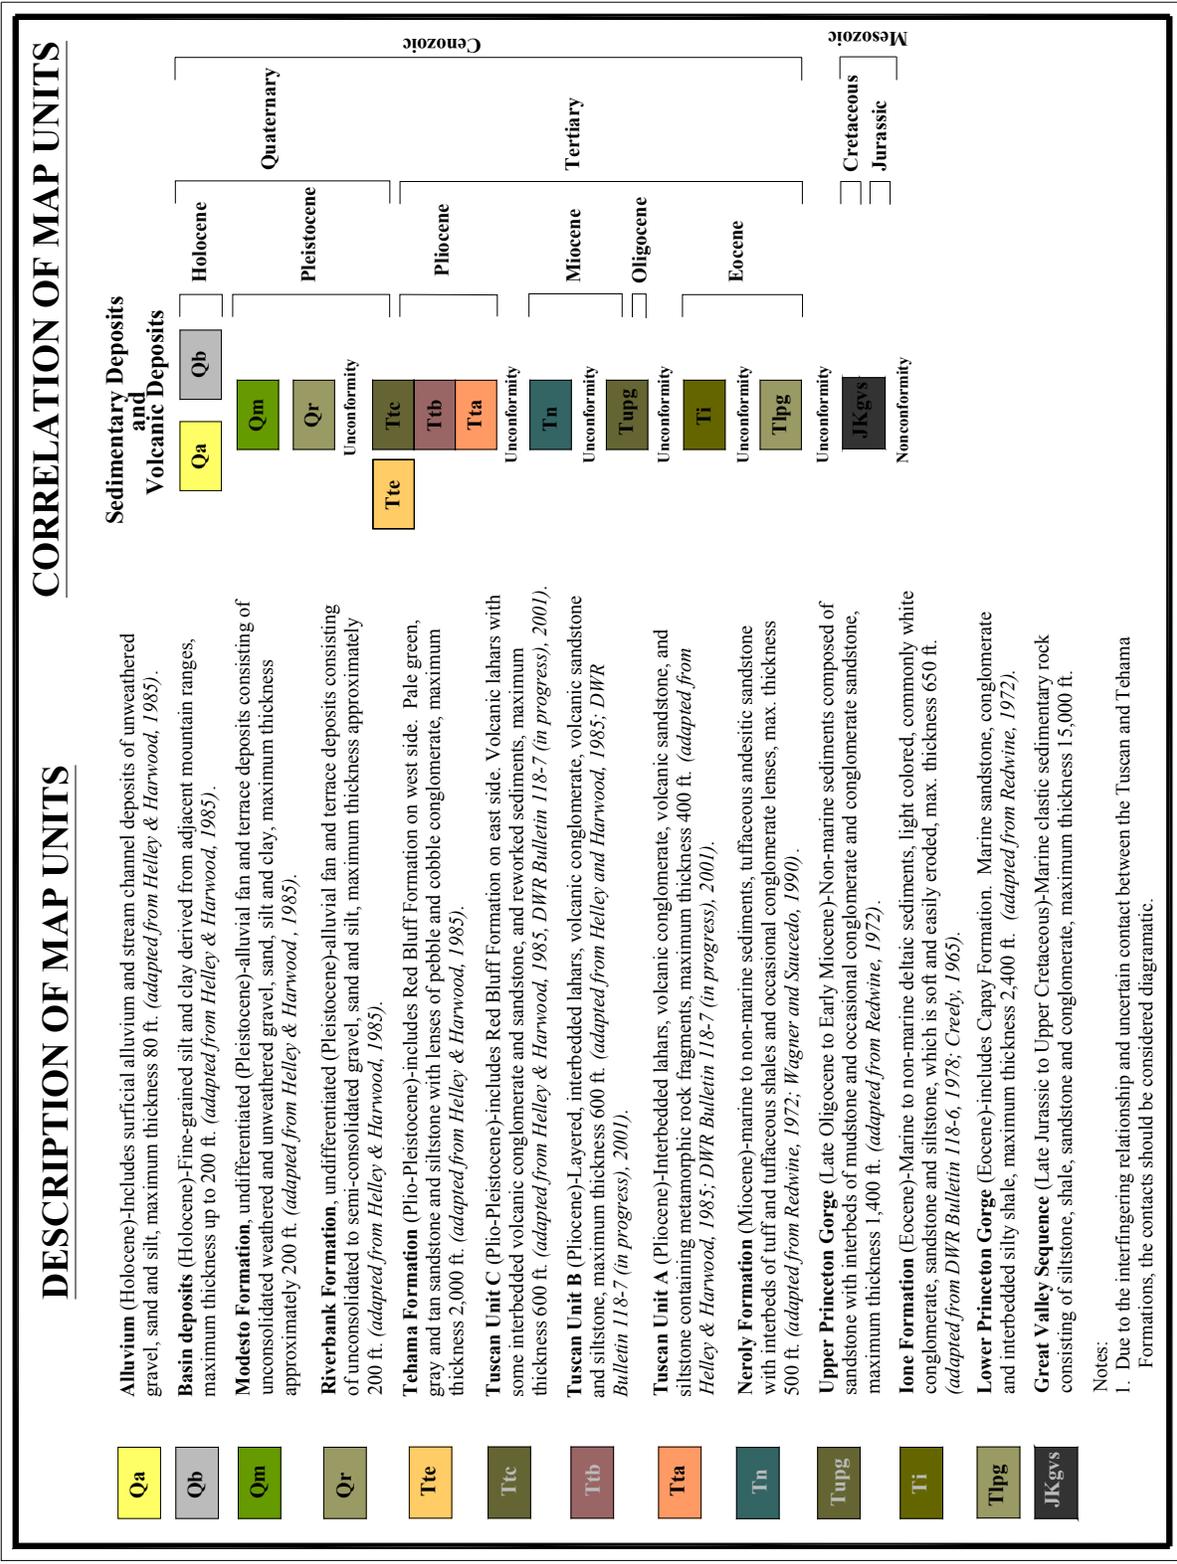

Figure 1. Regional Geologic Map of Water Bearing Units in the Project Area (modified from DWR Bull. 118-7 Draft).

Notes:
 1. Due to the interfingering relationship and uncertain contact between the Tuscan and Tehama Formations, the contacts should be considered diagrammatic.

Figure 2. Description of Geologic Map Units (modified from DWR Bull. 118-7 Draft).

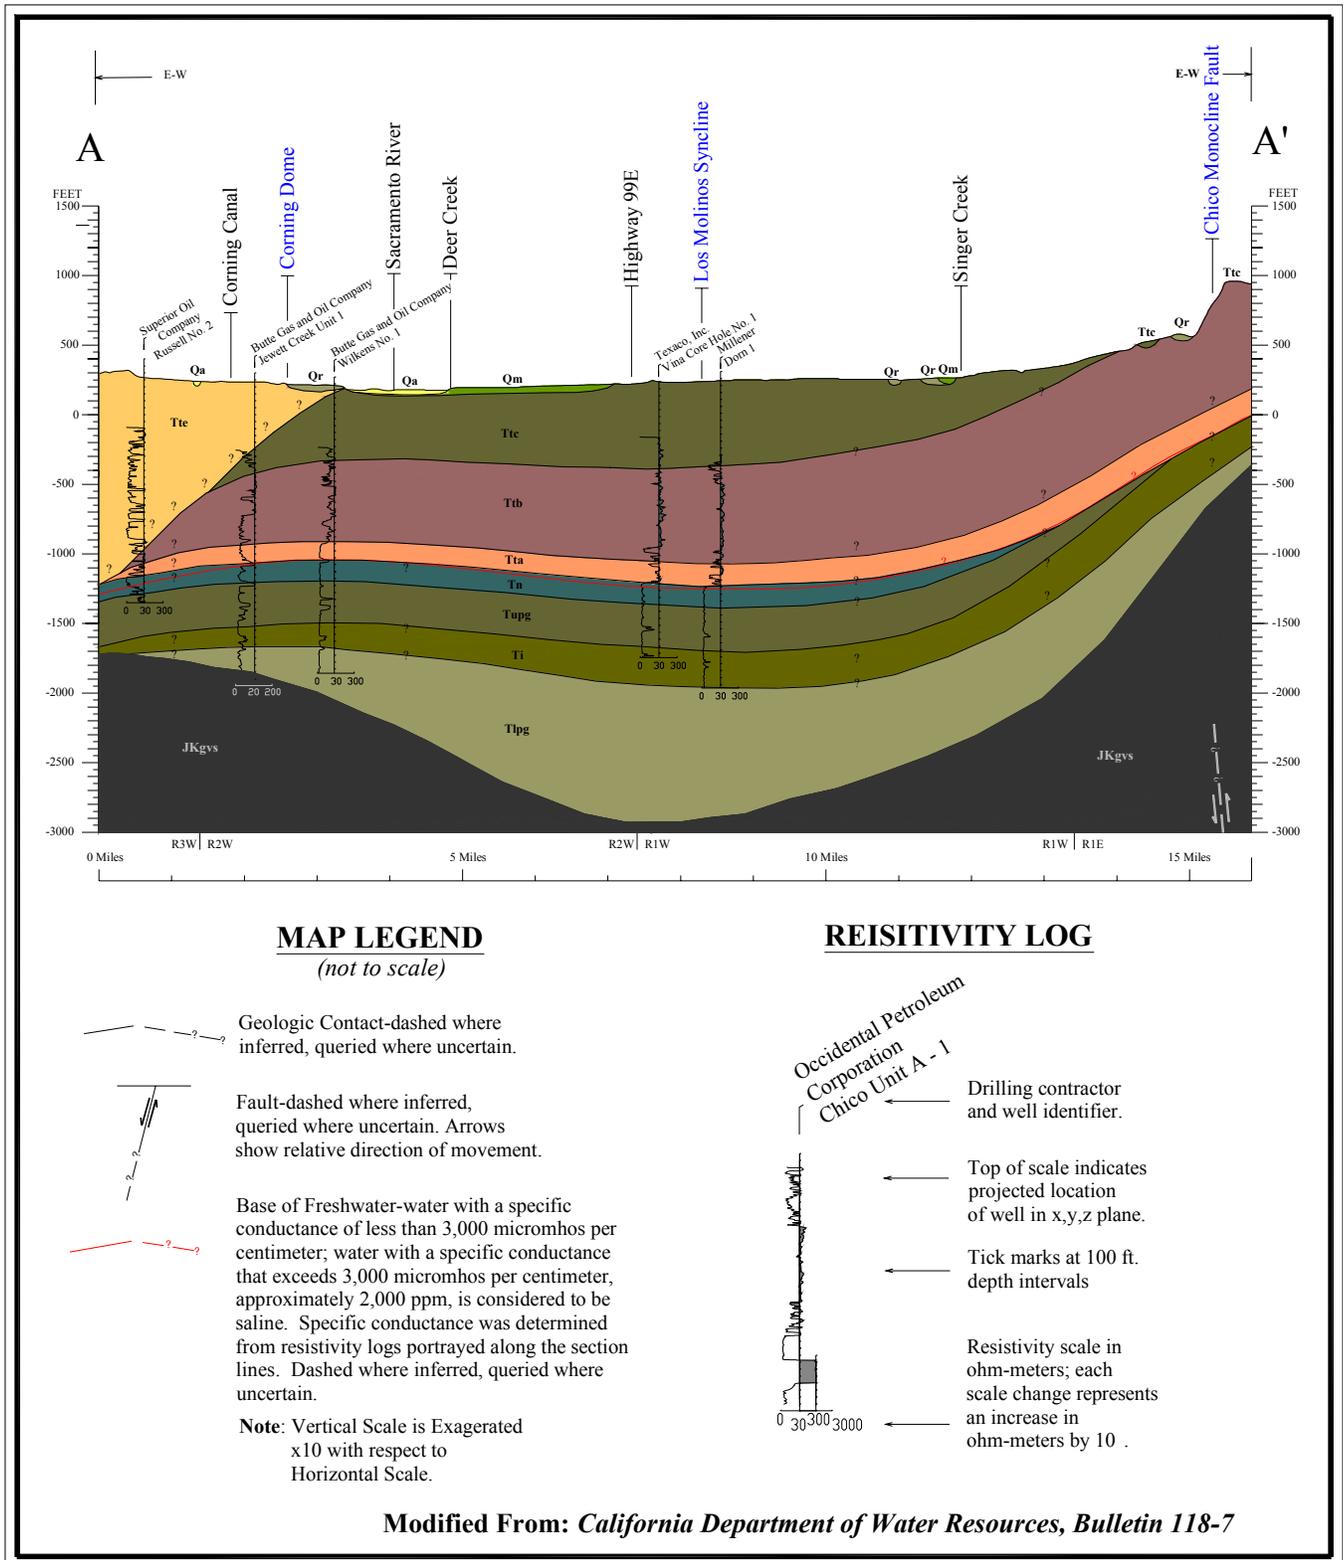

Figure 3. Geologic Cross-Section A-A' Located South of the Deer Creek Project Area.
